Comprehensive Play Therapy Training Program

Our structured play therapy training program is designed to guide you through the essential knowledge and hands-on skills needed to become a Registered Play Therapist™ (RPT™). The program unfolds in three carefully planned phases, allowing for deep learning and practical application.

Phase I: Foundations of Play Therapy (40 Hours)

 **June - October 2025**

History & Foundations of Play Therapy

Explore the origins and core principles of play therapy.

Theories of Play Therapy

Gain an overview of key theoretical models and begin practicing essential skills.

Assessment & Treatment Planning

Learn how to structure play therapy sessions using evidence-based assessment tools, treatment planning, and intervention techniques.

Phase II: Advanced Play Therapy Applications (55 Hours)

 **December 2025 - June 2026**

Family Play Therapy

Learn strategies for integrating families into the therapeutic process.

Sandtray & Expressive Therapies in Play Therapy

Discover creative and impactful techniques to enhance therapeutic engagement.

Lifespan Applications of Play Therapy

Understand how play therapy can be adapted across different developmental stages.

Specialized Play Therapy Settings (10 Hours)

Explore applications in school-based, mobile, and community settings while developing a culturally competent practice.

Phase III: Trauma, Neuroscience & Specialized Topics (55 Hours)

June-October 2026

Attachment & Play Therapy

Understand the role of attachment in child development and healing.

Working with Trauma & Abuse

Gain trauma-informed skills to support children affected by adversity.

Neuroscience, Mindfulness & Sensory Integration

Learn how brain science and regulation strategies enhance play therapy effectiveness.

Polyvagal Play Therapy

Apply the latest research on nervous system regulation to support emotional resilience.

Special Topics (TBD)

Stay updated with cutting-edge advancements in play therapy.

This immersive and well-structured program ensures you gain the expertise, confidence, and hands-on practice needed to thrive as a Registered Play Therapist™.

Join our next cohort and take your career to the next level! 🚀

Pride Sandtray Institute

Regardless of your location, our institute is dedicated to supporting mental health professionals worldwide who seek to expand their proficiency in sandtray therapy. Through our expert-led training, you'll gain access to valuable resources, tools, and hands-on experiences designed to enhance your confidence and skill in sandtray therapy. Our training is engaging, experiential, and rooted in the latest neuroscience research to ensure that you receive the highest quality education.

Our Programs

Our comprehensive Sandtray Therapy training program is designed for therapists at every stage of their journey, whether you're brand new to Sandtray Therapy or looking to refine and expand your skills. Level 1: Foundations and Applications of Sandtray Play Therapy provides essential skills to confidently integrate Sandtray Therapy into your practice, transforming the way you support clients. For those already incorporating sandtray, our advanced training levels offer deeper exploration: Level 2: The Neuroscience of Sandtray Therapy, Level 3: Advanced Sandtray Therapy—Deepening the Therapeutic Process, and Level 4: Advanced Sandtray Therapy—Parts in the Sand with Internal Family Systems (IFS). These specialized trainings are ideal for clinicians seeking to enhance their expertise, refine their approach, and pursue credentialing through the International Association for Sandtray Therapy (IAST). Whether you're starting out or striving for mastery, our program provides the hands-on learning and expert guidance to elevate your therapeutic practice.

Consultation & Credentialing Support

If you're working towards your Internationally Credentialed Sandtray Therapist (ICST) credential, Pride Sandtray Institute provides the expert guidance you need to achieve your goals. Join a supportive and knowledgeable community of like-minded therapists as you progress in your professional journey.
